

# MUSACCHIO MISSIONS NEWSLETTER

## MARCH 2020 UPDATE

**"You keep him in perfect peace whose mind is stayed on You, because he trusts in You."**  
Isaiah 26:3 ESV

We are living in an amazing moment of opportunity to Experience His Peace and Share the HOPE of the Gospel of Jesus Christ!

**The Resurrection is God's final word on HOPE!**

Resurrection Sunday is the perfect time to **Declare our trust in HIM** and **Celebrate with YOU** all the Lord has been doing over the past months, and even now in the middle of this global crisis!

May the Lord anoint you as he blesses your ministry and encourages your heart to serve Him in these days.

Thank you for partnering with us as we empower the church in Latin America Caribbean to serve the dignity of the poor and vulnerable through the love of Jesus!

Kathy Acosta and the women's empowerment group  
**GUATEMALA**

These are some of the 75 courageous women from five churches we partner. Our team member Kathy Acosta shares with them about God's love and their incredible value as women, and trains them to start small businesses. This blesses them, the church and the community!

The COVID-19 crisis struck right before we could launch the children's feeding program in schools for 2,700 kids. We are so grateful for church partners and awesome LAC missionaries like Fred Sanchez, Daren Walker, and Dave Turner, who quickly mobilized to coordinate with our team to serve many pastoral families who are in serious need at this time.

**CUBA**

God is moving in Cuba, where we are excited about partnering in agricultural initiatives that create resources for the church. We are also working on a plan to partner with them in their

ongoing efforts to serve two children's homes and a home for the elderly. Despite the current crisis, we know God sees the future, so we plan with Him by faith and partner with the church and missionaries like David Speer to advance His Kingdom together!

Receiving food aid in the rural community of Achiotal  
**EL SALVADOR**

When the COVID-19 crisis closed the schools our team took to the communities where the people who were already vulnerable are now facing even greater needs because their jobs disappeared. That's when our team quickly mobilized ministries and church partners to serve

the needs of people in some of the most affected communities. We praise the Lord for what's being accomplished, but we also sense the urgency to do more! We still want to serve pastoral families who are without income due to so many "informal" workers losing their jobs and church services being closed. Pray with us for miracles! God is able to keep His own!

Adán Echeverría and children from the feeding initiative  
**HONDURAS**

Pastor Adán Echeverría and his church, Rock of Salvation Assembly of God, are wonderful partners who are powerfully impacting their community through a children's feeding program, a girls' empowerment club and a mother's small business development group!

Honduran Missionary, Pastor Asael, serves with his family among the Tolupan indigenous people. They have planted a church and are working on two more congregations that are several hours' walk in opposite directions. We are excited to partner with Asael and LAC missionaries Zac Rix and Fredy Vasquez to develop agriculture initiatives that will dramatically improve sustainable living for the Tolupan people, as well as create economic resources for their communities.
